

FARM TOUR: WATERSHED CONSERVATION IN PASTURE LANDS

Friday, June 18, 2021, 10:00 am—1:00 pm

Mississippi State University Campus

Landowners are invited to campus for a tour of conservation practices recently implemented at the H. H. Leveck Animal Research Center to protect livestock, pastures, and the Catalpa Creek watershed.

A working luncheon will be provided. Masks for COVID safety are required during group transportation and classroom settings.

For more information, call Leslie Burger, 662-325-6686

Funding for this project was provided by a grant from the Mississippi Department of Environmental Quality.
Technical assistance was provided by the USDA Natural Resources Conservation Service.
