To add a listing to this directory, fill out a Mississippi Hay Directory Listing Submission Form available online at <http://extension.msstate.edu/content/mississippi-hay-directory-submission-form>. Directory listings provide information as supplied in listing submissions by individuals and businesses, and Mississippi State University does not warrant or guarantee the accuracy of hay availability, prices, forage quality or other listing information. Prospective hay buyers are encouraged to request official forage quality analysis results directly from hay suppliers. Samples for hay analysis can be sent to the Mississippi Chemical Laboratory (http://mscl.msstate.edu/pdf/forage_analysis.pdf).

Disclaimer on Email Inquiries: Please note that Mississippi State University cannot filter e-mail inquiries that you receive from the hay directory from spam e-mails. There have also been reports of e-mail scams that target hay suppliers. The Mississippi State University Extension Service advises all hay suppliers or buyers to implement business sound practices when responding to inquiries for the sale or purchase of hay.

It is the responsibility of the hay supplier to notify the Forage Extension Program if the hay has been sold before the 60 days expiration date. Any existing listing submitted by a producer will be replaced by any updated or subsequent submission. **No more than one submission will be allowed by the same individual and hay should be available for sale at time of submitting the entry.** Contact Rocky Lemus in the MSU Department of Plant and Soil Sciences at 662-325-7718 or Rocky.Lemus@msstate.edu.

For answers to forage-related production questions, please contact your local Extension office or Extension Forage Specialist, Dr. Rocky Lemus, in the MSU Department of Plant and Soil Sciences at 662-325-7718 or Rocky.Lemus@msstate.edu.

For answers to beef cattle nutrition questions, please contact your local Extension office or Extension Beef Cattle Specialist, Dr. Brandi Karish, in the MSU Department of Animal and Dairy Sciences at 662-325-7465 or bkarish@ads.msstate.edu.
