Locations of herbs growers in MarketMaker

The figure above shows some of the **1,157** herbs grower businesses registered or listed in the national MarketMaker program. To find local herbs grower in your state, do a **Business Search** using this link ---

<http://webapps.foodmarketmaker.com/marketmaker/#MS/food/productsearch/2226/28>

Select Herbs and then search by county, city, zip code or multiple states.

USDA (2014) food availability data show that during the past decade, the apparent per capita consumption of spices averaged 3.4 pounds. Most U.S. supplies of more than 20 herbs and spices

are imported. Some come from domestic production of two major spices. There are small amounts of domestic production of other spices which are not included in the total.
