

Waterworks Operator Training Newsletter

June 2018

Good morning! Attached is the June 2018 Operator Training Newsletter for all MSDH-BPWS Regions and following this message are the trainings for your particular region. If you have questions about the counties in your MSDH region, please see the map on the second page of the attachment to this e-mail.

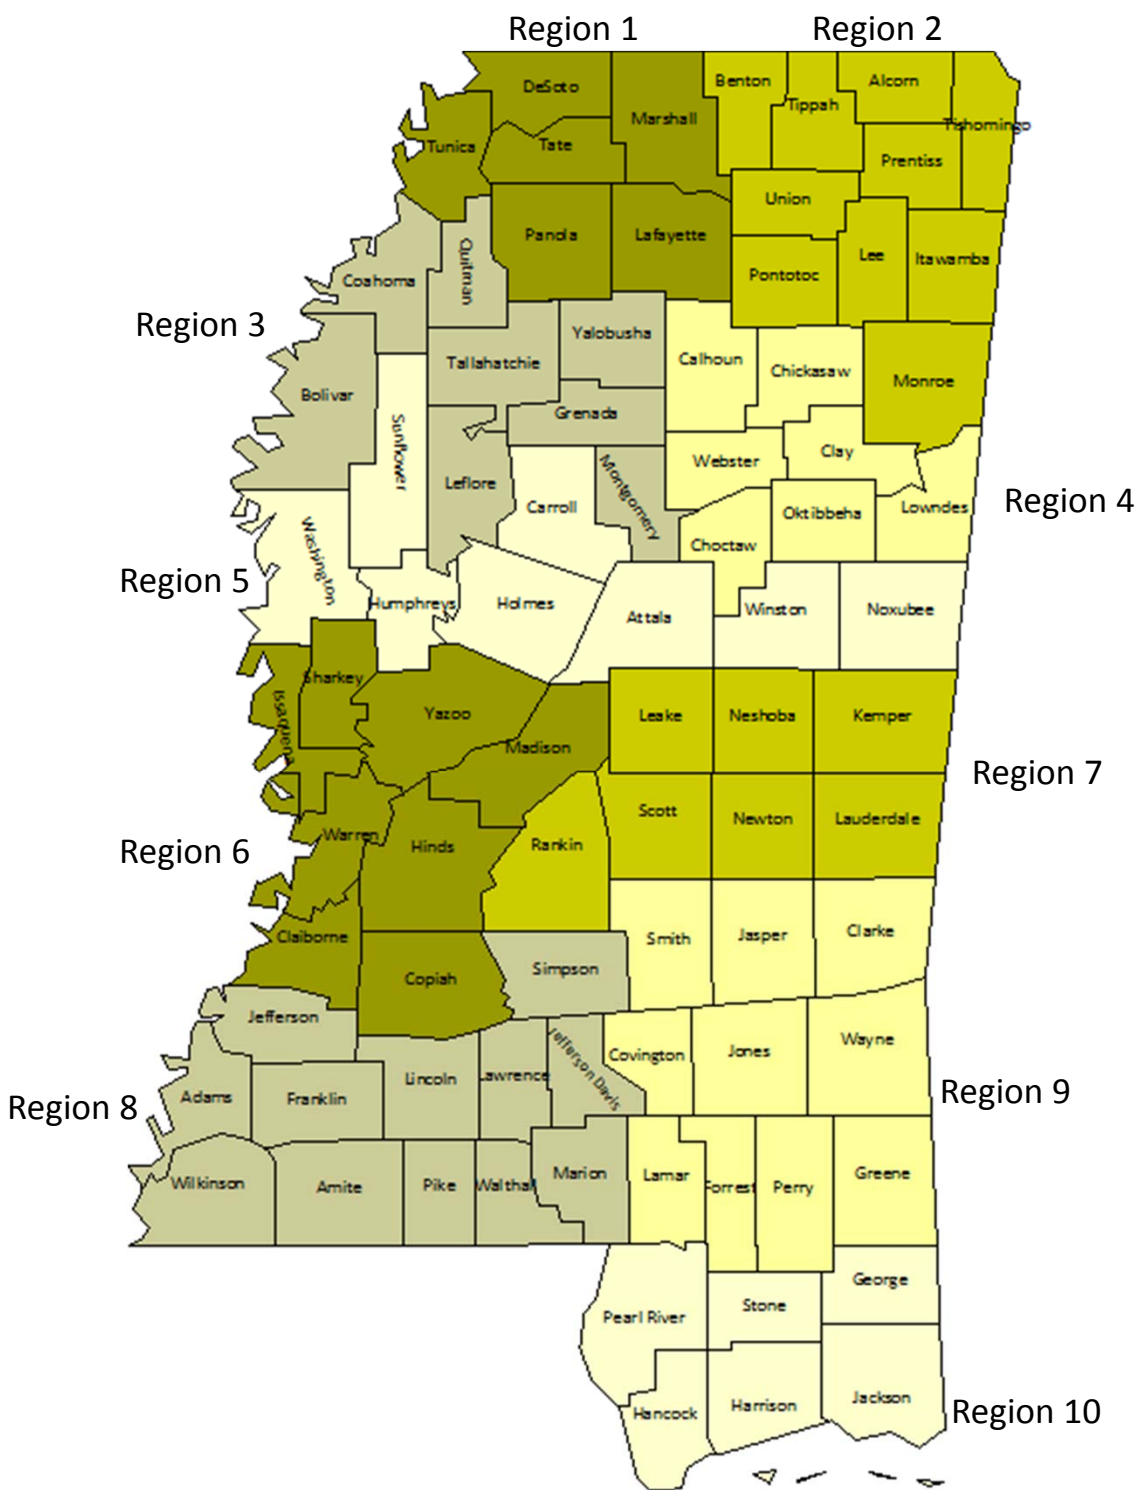

Also, remember to please contact the training agency to make sure the training will be held. The information contained in this document was gathered from the MSDH-BPWS Training Calendar, so we have no information about if a particular training may be cancelled due to unforeseen circumstances.

I apologize that this newsletter is delayed this month. Please see the attachments for the June 2018 trainings available in your area and throughout the state. Thank you for all that you do.
