

Waterworks Operator Training Newsletter

April 2018

Good afternoon! Attached is the April 2018 Operator Training Newsletter for all MSDH-BPWS Regions and following this message are the trainings for your particular region. If you have questions about the counties in your MSDH region, please see the map on the second page of the attachment to this e-mail.

Also, remember to please contact the training agency to make sure the training will be held. The information contained in this document was gathered from the MSDH-BPWS Training Calendar, so we have no information about if a particular training may be cancelled due to unforeseen circumstances.

Conference season is upon us. Please note the following CEU hour opportunities at various conferences throughout the state in the coming months. These conferences will also be included on the calendar as usual where necessary.
