

EXTENSION

The Mississippi State University Extension Plant Diagnostic Lab is offering free nematode testing for Mississippi grown soybeans.

To participate, go to extension.msstate.edu/lab to download the **Soybean Cyst Nematode Sample Submission Form**. Instructions for proper sample collection can be found on the reverse side of this flyer.

Samples must be submitted with the **Soybean Cyst Nematode Sample Submission Form by August 30, 2020**, to qualify.

Mississippi State University is an equal opportunity institution. Discrimination in university employment, programs, or activities based on race, color, ethnicity, sex, pregnancy, religion, national origin, disability, age, sexual orientation, genetic information, status as a U.S. veteran, or any other status protected by applicable law is prohibited. Questions about equal opportunity programs or compliance should be directed to the Office of Compliance and Integrity, 56 Morgan Avenue, P.O. 6044, Mississippi State, MS 39762, (662) 325-5839.

Extension Service of Mississippi State University, cooperating with U.S. Department of Agriculture. Published in furtherance of Acts of Congress, May 8 and June 30, 1914. GARY B. JACKSON, Director
