4-H Junior Steam Day

June 27, 2023

Mississippi State University

Registration closes on June 13, 2023.

The 4-H Junior STEAM Day is open to 4-H youth, ages 5-13, as of January 1, 2023. Cloverbuds (5-7 year-olds) may participate but are not scored. All Cloverbuds will receive a certificate of participation. For Cloverbuds, the focus is on experience and building communication skills and confidence. Juniors (8-13-year-olds) are scored and will be ranked. Participants may compete in more than one contest. Each contest has a river/rubber duck theme (water conservation, water cycle, water, disease prevention, etc.). The morning contest are listed below. Youth may choose from each column.

Please contact the Lee County Extension Office for more registration instructions.

Registration is \$10 per person.

Science Scholars Camp

HIGH SCHOOL STUDENT

Think you might be interested in a career in science, technology, or engineering?
Not sure of your options?

Apply to SCIENCE SCHOLARS CAMP, June 28-30, 2023 at Mississippi State University and explore some of your options. You will learn first-hand from scientists about natural and agricultural sciences and technologies, food science and health promotion, biomedical engineering, and more. Experience college life by staying in a residence hall, eating in campus dining facilities, and learning in classrooms, labs and field sites.

Registration is free and travel support will be provided to accepted students. A refundable application fee of \$25 is required and will returned upon arrival to campus; cancellations will result in loss of the application fee.

Registration is due by June 1st.

Contact the Lee County Extension Office for more registration details.
