

Rural Medical & Science Scholars

2023 SPONSORSHIP INFORMATION

**2022
Rural Medical & Science Scholars**

Rural Medical & Science Scholars is an intense and rigorous 2½-week summer program for rising high school seniors, to help them determine if they want to pursue health-related careers. The program shapes students' interest and understanding of medicine, health-related disciplines, and other STEM fields.

The Scholars interact with physicians, dentists, and other healthcare professionals, complete an intense session of health science college coursework, and engage in didactic, observational, and experiential learning for 3 hours of college credit. Scholars take Introduction to Health Professions, which provides an overview of the types of careers they can pursue in the healthcare industry.

Scholars also engage with faculty and administrators at the University of Mississippi Medical Center School of Medicine. Not only do the Scholars make new friends with similar interests and goals, but they also get a taste of college life by living on the Mississippi State University campus.

Please support the Rural Medical & Science Scholars program. Whether you choose to sponsor an individual scholar or the program itself, a variety of opportunities are available for you to demonstrate your commitment to keeping future healthcare and other STEM professionals in Mississippi.

To give to the Rural Medical & Science Scholars program, please contact Mr. Will Stagers at (662) 325-2837 or wstagers@foundation.msstate.edu. If you have questions about the Rural Medical & Science Scholars program, please visit our website at www.extension.msstate.edu/rms, or contact Ms. Ann Sansing at (662) 325-4043 or asansing@ext.msstate.edu.

Remember, every gift makes a difference.

Best,

Will Stagers

Director of Development

Mississippi State University Foundation

2023 SPONSORSHIP OPPORTUNITIES

Sponsor a Scholar: \$2,600

Funds tuition, housing, textbooks, program/workshop materials, food on weekends, and the application fee.

Scholar Tour of UMMC School of Medicine: \$1,500

Funds transportation and lunch for Scholars to meet School of Medicine Admissions Office representatives, engage in experiential learning activities, and visit with physicians and medical students.

Celebration of Scholars Dinner/Dinner with a Healthcare Professional: \$1,500

Funds a formal dinner for scholars and healthcare professionals to promote networking and relationship-building opportunities.

Scholars in the Lab: \$300

Funds supplies to teach suturing skills at the MSU College of Veterinary Medicine.

Scholars in the Kitchen: \$300

Funds supplies to teach best practices for incorporating functional foods in diets.

Junior Master Wellness Volunteer Training: \$500
