

“RMSS was the spark that ignited me to pursue a career in the medical field and helped me reach my goal of entering medical school. I have become close friends with many of my RMSS peers, and we still discuss the positive impact RMSS continues to have on our journeys in life.”

Katelyn Jackson
RMSS Class of 2015

“The relationships and memories you make at RMSS are truly incomparable. It is so amazing to spend a month with like-minded peers. I am so thankful that RMSS gave me lifelong friends and experiences that I can take into my professional career.”

Maggie Jo Everett
RMSS Class of 2019

ATTENTION,
high school juniors! Get a jump-start on college, and explore careers in health or science!

TAKING CARE OF WHAT MATTERS

SUMMER 2025
JUNE 8-20

M980 (10-24)
Produced by Agricultural Communications.

Mississippi State University is an equal opportunity institution. Discrimination in university employment, programs, or activities based on race, color, ethnicity, sex, pregnancy, religion, national origin, disability, age, sexual orientation, gender identity, genetic information, status as a U.S. veteran, or any other status protected by applicable law is prohibited.

Extension Service of Mississippi State University, cooperating with U.S. Department of Agriculture. Published in furtherance of Acts of Congress, May 8 and June 30, 1914. ANGUS L. CATCHOT, JR., Director

How do I apply?

- Visit our website for more information on how to apply. extension.msstate.edu/RMS
- Ask one of your teachers to write a recommendation letter.
- Ask the recommending teacher to forward the application and recommendation to your guidance counselor.
- Your counselor will need to send ACT scores and an official transcript. You will need to submit the completed application postmarked by April 14, 2025.

What will I do as a Rural Medical & Science Scholar?

For 2 weeks this summer, you will—

- make new friends with similar interests and goals.
- tour the University of Mississippi Medical Center, and talk with faculty and students.
- take Introduction to Health Professions, a college-level health sciences course.
- begin certification as a Junior Master Wellness Volunteer.
- participate in practical learning activities such as Injury and Illness Simulation, Gray for a Day, Scholars in the Kitchen, Scholars in Engineering, and Suturing Techniques.
- live on campus, **including weekends**, and get a taste of college life.

Do I qualify? Yes, if you—

- ✓ are currently completing your junior year of high school.
- ✓ received a minimum composite score of 20 on the ACT.
- ✓ have good grades that complement your ACT scores.
- ✓ want to learn about a career in health or STEM fields.
- ✓ are a Mississippi resident.

How much does it cost?

\$2,600 (includes \$100 application fee)

- The program cost includes tuition, housing, textbooks, program/workshop materials, food for lunch and dinner, and the application fee.
- Additional cost information is available at extension.msstate.edu/RMS.

Are scholarships available?

- Scholarships ranging from \$2,500 to \$2,600 are available on a needs basis; first come, first served.
- Depending on scholarship, some scholars are responsible for paying the \$100 registration fee to ensure participation. The \$100 registration fee is only paid if you are accepted into the program.

2024 Rural Medical & Science Scholars

We gratefully acknowledge the Mississippi State University Extension Service, the MSU College of Agriculture and Life Sciences, the Office of the Provost and Executive Vice President, the Office of Rural Health and Primary Care, CREATE/Toyota Wellspring, and CareSource for their support of this program.
