Remember the minimum weight of commercial dairy heifers is **200** pounds for the Mississippi State Fair. ALL exhibitors are responsible for weighing their commercial dairy heifers and declaring their animal's show weight in the check-in app. Official scales will be made available for weighing livestock. **As a reminder, all commercial dairy cattle must have an 840 visual/EID combination ear tag ordered from the 4-H Livestock Program.**

► **REGISTERED BREEDING BOER DOE EXHIBITORS – SPECIAL NOTICE!**

There will be a Registered Breeding Boer Doe Show for the Mississippi State Fair. ALL exhibitors are responsible for declaring which animals are at the show using the check-in app.

► **COMMERCIAL DAIRY GOAT EXHIBITORS – SPECIAL NOTICE!**

Remember the minimum weight of commercial dairy goats is **30** pounds for the Mississippi State Fair. ALL exhibitors are responsible for weighing their commercial dairy goats and declaring their animal show weight in the check-in app. Official scales will be made available for weighing livestock.

Commercial dairy goat exhibitors have the option of purchasing the 840 visual/EID combination ear tag from the 4-H Livestock Program, or they can utilize an 840 animal ID microchip. If exhibitors of commercial dairy goats go the 840-microchip route, they should provide their own microchip reader.

Commercial dairy goat exhibitors can purchase 840 microchips online with the applicator and readers. There are a couple of steps to obtain the information needed to purchase the 840 microchips. First, the exhibitor/farm must have a premise ID number. To get this, you should go to <https://agnet.mdac.ms.gov/MBAHPremises> and complete the online premise ID registration. When a number is assigned, it will be emailed to you. This number should be saved in your records file, as you will need this again later. The next step is to obtain a flock or scrapie ID number. To get this, you can contact the MS Board of Animal Health at 601-359-1170 and give them your premise ID number. They can contact their person with the USDA to get a flock/scrapie ID number to email to you. Or you can call USDA's toll-free tag line at 866-873-2824 and their staff will assign a flock ID to your flock/herd. If you have any trouble reaching their staff on the national toll-free line, you can contact them by email at [scrapie@usda.gov](mailto:scrapie@usda.gov). In your email, please include the State where your sheep/goats are located and your phone number. Once you have obtained your premise ID and flock/scrapie ID numbers, you can order the 840 ID animal microchip in varying quantities based on how many commercial dairy goats the exhibitor is seeking to nominate. Since the exhibitor is responsible for the microchip reader, there are different options there as well.

### ► **2025 MISSISSIPPI 4-H HORSE CHAMPIONSHIP**

The 2025 Mississippi 4-H Horse Championship was an outstanding event! The show ran extremely smoothly, and this is due to the fine work and cooperation of many, many people. We want to express our appreciation to all exhibitors, parents, volunteers, leaders, agents, and specialists for their excellent cooperation and interest in the 4-H horse program. We especially appreciate the Extension Agents/Program Associates and volunteers working at the show and admire their dedication to seeing that the show is run in the best way possible. Of course, the work starts with the county programs and Extension Agents/Program Associates are to be commended for their support of this program.
