

The SipSafe program, conducted by the Mississippi State University Extension Service and funded by a grant from the Environmental Protection Agency (EPA), is working to reduce lead exposure in children ages birth to 5 years by screening water in qualifying schools and childcare facilities.

NESHOBA COUNTY

39

children served

^There are ~1,026 children enrolled in Neshoba County.

15 

samples taken

0 

results over 10ppb\*

1 

facility sampled

^There are 16 facilities located in Neshoba County.

This data was collected between 2021 and 2025.

\*10ppb is the proposed EPA action level for lead in drinking water.

^Based on a July 2025 report of licensed childcare facilities in Mississippi from MSDH.
