### How will businesses be chosen to be in the spotlight?

Seafood businesses registered with MarketMaker will be selected at random using Microsoft Excel. Each business spotlight newsletter will feature 1-5 businesses depending on the feedback from each business.

### Can I submit a business to be in the spotlight?

If you know of a business registered with MarketMaker, send them our way and we will include them in the database to get randomly selected for a newsletter.

### What if the business is not registered in MarketMaker?

This is a MarketMaker newsletter, so any business we feature should be registered with MarketMaker. If they are not registered, call us up and let's get them on board!

### What month will the business spotlights start?

The business spotlights will start September 2012 and continue until further notice! Remember, the second week of each month will be for the business spotlights.
