October 23, 2012

The October 2012 edition of the Food [MarketMaker Newsletter](#) is posted and ready to read. We hope you enjoy it. The newsletter can be downloaded in pdf format at

<http://national.marketmaker.uiuc.edu/uploads/76994fd2e7ddadcbc1c7a9028ca74d03.pdf>

To view the document, you will need Adobe Reader. If you currently don't have this program on your computer, you can get the latest version by going to <http://get.adobe.com/reader>.

This month you can read about:

- **Farm to School Network**
- **USDA Sets new Standards for Meals in America's Schools**
- **MarketMaker News and Updates**
- **In Every Issue: Buy & Sell Forum**

Have you considered...

Contacting the appropriate agency to find out more about the schools in your area? Not only would you have a new market, but the children in your area would be eating local foods! Check "**Farm to School**" on your MarketMaker profile under "**Methods of sale**" to make your business searchable by educational institutions looking for fresh, local foods.

Business Spotlights...

Keep an eye on our Mississippi MarketMaker Website for updated Business Spotlights. These will be updated monthly featuring Mississippi Businesses!
