

Lee County 4-H Shooting Sports— its time to start up again!

In January 2022 we will start practice at the range. Every youth that participates in the shooting sports program must complete 8 hours of safety training to be eligible to compete. The first 2 hours of that are done in a group sign up & safety training meeting that covers all disciplines offered. The remaining 6 required hours are practice on the range.

The 2 hour sign up and safety training meetings will be held at the Lee County Extension Office from 6 pm till 8 pm on the following dates:

December 7, 2021

December 14, 2021

January 6, 2022
