4-H GROWS TRUE LEADERS

4-H empowers young people to be true leaders. True leaders are young people who have confidence; know how to work well with others; can endure through challenges; and will stick with a job until it gets done. In 4-H, we believe true leaders aren't born - they're grown.

4-H programs hands-on approach gives young people guidance,

tools and encouragement, and then puts them in the driver's seat to make great things happen. Independent research proves the unparalleled impact of the 4-H experience.

Youth lead hands-on projects in areas like science, health, agriculture and citizenship. Adult mentors provide a positive

environment where they learn by doing. This 4-H experience is delivered by a community of more than 100 public universities across the nation and gives kids life skills like confidence, independence, resilience and compassion.

It's Time for the Annual 4-H Valentine's Raffle

For the past 3 years, the 4-Hers have raffled off an extravagant Valentine's Day Basket to raise funds for their club. Proceeds raised help support club activities, events, and assist in traveling to State 4-H Club Congress. All 4-Hers wishing to attend 4-H Club Congress are expected to sell at least 2 books of tickets. If you'd would like to sell tickets, please pick up tickets from the Extension Office. 4-H Science Club members may pick up tickets from Mrs. Vickie Marks. The raffle begins January 12 & will end February 13. All money is to be turned in and a name will be pulled on February 13th. The 4-Her who sells the most tickets wins a gift card.
