Poverty and Well-Being Profiles

Choctaw County, MS (2023)

extension.msstate.edu/economic-profiles

Populations and Households in Poverty (2022)

Category	Mississippi	Choctaw	Ackerman *
Population**	2,858,819	8,064	1,676
Households (HH)	1,121,269	3,532	697
Population in Poverty	548,804	1,543	444
Child Poverty	26.8%	27.5%	31.1%
Young Adult Poverty	21.7%	26.8%	46.0%
Elder Poverty	13.4%	11.5%	14.1%

Child is defined as a person under 18 years of age; young adult is defined as a person between 18 and 34 years of age; elder is aged 65 and over. Source: 2022 Population Estimates, U.S Census Bureau for 2022 population of state, county, and county seat — Table S1701; Population in poverty for the state versus the United States or county/ district and county seat — SAIPE, U.S Census Bureau.

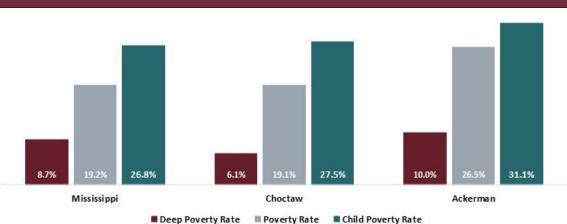

MISSISSIPPI STATE

EXTENSION

*Cities and towns listed in this profile are county seats.

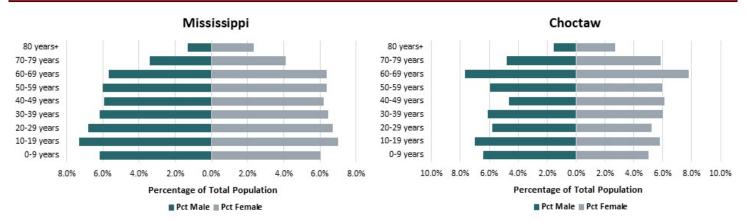

**Total population to determine poverty status — American Community Survey (ACS) Table S1701.

Poverty Rate Measures (2022)

Source: Small Area Income and Poverty Estimates, U.S. Census Bureau ACS 2018-2022 5-year estimates for poverty rates of the state versus the United States or county/district and county seat—Table S1701. The U.S. Census Bureau uses a set of money income thresholds that vary by family size and composition to determine who is in poverty.

Population Pyramid (2022)

Population Pyramid: Shows the age-gender distribution of the given population. Age groups are depicted on the y-axis and the percentage of the population on the x-axis. Gender is shown on the left/right sides. The population pyramid provides a picture of the composition of the population. Source: U.S. Census Bureau ACS 2018-2022 5-year estimates, Table S0101.

Definitions of Measures and Data Sources

Measure	Definition	Data Source					
Poverty rate	Number of people with household income at or below 100% of the poverty threshold based on household size.						
Deep poverty	Household incomes below 50% of the poverty threshold based on household size.	Small Area Income and Pov-					
Poverty threshold	Income dollar amount to determine a household's poverty status. Thresholds vary according to the size of the household and the ages of its members.	erty Estimates, U.S. Census Bureau American Community Survey 2018-2022 5-year					
Household income	Income of the householder and all other people 15 years and older in the household.	estimates for median house- hold income.					
Median household income	The point that divides the household income distribution into halves, one-half with income above the median and the other with income below the median.						
Assets and Financial Security							
Net worth	Assets minus liabilities (i.e., how much a person owns minus what they owe to others).						
Zero net worth	Percentage of households that have zero or negative net worth.						
(Liquid) asset poverty	Percentage of households without sufficient liquid assets to subsist at the pov- erty level for 3 months under a financial crisis such as a job loss, medical emer- gency, or the need to fix a car.	Prosperity Now Scorecard, Survey of Income and Pro- gram Participation (SIPP) 2022, U.S. Census Bureau.					
Liquid asset	Includes cash on hand or an asset that can be readily converted to cash (e.g., bank account, other interest-earning account, equity in stocks and mutual funds, and retirement accounts).						
Unbanked	Percentage of households not having a checking, savings, or money market account.	National Survey of Unbanked and Underbanked House-					
Underbanked	Percentage of households having a checking or savings account, but also ob- taining financial products and services outside of the banking system.	holds, Federal Deposit Insur- ance Corporation.
