

## Check out the MSU-Extension Termite Website:

[www.extension.msstate.edu/termites](http://www.extension.msstate.edu/termites)

Can't remember that web address?

Just "search" for "**Termites Mississippi State University**"

This site provides useful information for training of new employees, reviewing termite biology, field identification of termites, resources for answering client questions, and much more.

The site is divided into 11 sections:

1. [Termite Control Overview](#)
2. [Are these Termites or Ants?](#)
3. [Insect Identification Service](#)
4. [Signs of Termite Infestation](#)
5. [Species of Termites in Mississippi](#)
6. [Termite Biology](#)
7. [Termite Facts](#)
8. [Conducive Conditions \(Common Termite Risk Factors\)](#)
9. [Methods of Termite Control](#)
10. [Common Questions about Termites and Termite Control](#)
11. [References](#)

### **Termite University is here also!**

This is also the place to go to register to attend Termite University. Just scroll to the bottom of the green bar on the right side of the screen and click on "Termite University".

## To register for Termite University

1} go to the MSU-Extension Termite website:

[www.extension.msstate.edu/termites](http://www.extension.msstate.edu/termites)
